

AGRICULTURAL REFORMS:

Doubling Farmer's Income-

written by iasexam.com | 10/10/2019

The Government has reoriented the agriculture sector by focusing on an income-centeredness approach which focuses on achieving high productivity, reducing cost of cultivation and remunerative price on the produce, with a view to earn higher profits from farming. Various initiatives by way of schemes and policy reforms have been rolled out in consonance with this approach:-
