

# Swachhta Saarthi Fellowship 2022 announced by Office of the Principal Scientific Adviser

written by iaseexam.com | 05/02/2022

The Office of the Principal Scientific Adviser to the Government of India under its “Waste to Wealth” Mission announced the “Swachhta Saarthi Fellowship 2022” to empower young innovators who are engaged in community work of waste management, waste awareness campaigns, waste surveys etc. as Swachhta Saarthis and implement actions to reduce waste for a greener planet.

## **Key Highlights**

- The Waste to Wealth Mission is one of the nine national missions of the Prime Minister’s Science, Technology, and Innovation Advisory Council (PM-STIAC)
- The fellowship was launched in 2021 to recognize students, community workers/self-help groups, and municipal/sanitary workers who are engaged in tackling the enormous challenge of waste management, scientifically and sustainably.
- The fellowship is aimed at amplifying the role of young students from schools and colleges, and citizens working in the community through Self Help Groups (SHGs), or in independent capacity in sensitizing the society towards waste management and offer

innovative solutions for conversion of waste to value.

- The 2021 cohort had 344 Swachhta Saarthis consisting of high school students, college students, and community workers from across 27 States and 6 UTs that are currently making an impact through their efforts in waste management towards building a sustainable future.
- The aim through 2022 cohort is to further empower and recognize the efforts of more young innovators engaged in community work of waste management and form a wide network of waste warriors on ground as Swachhta Saarthis.
